

We are hiring!

Sunbelt Marketing located in Austell, GA is always looking to expand our team with talented professionals who are ready to take their careers to the next level. As one of the largest and most successful privately held manufacturers' representatives, we distribute plumbing, piping and HVAC/R products to traditional wholesalers within our industry.

Currently, Sunbelt is seeking a **Systems Administrator** who will be responsible for maintaining, upgrading, and securing all the software and technology for our company. You will also be working directly with users to help them work through issues or to provide training on new technologies.

In addition to resourcefulness and patience, strong candidates will also possess the following:

Skills & Requirements:

- Proven experience as a Systems Administrator, Network Administrator, or similar role.
- Advanced knowledge of Excel and Office 365 products.
- Experience with scripting, databases, networks, and patch management.
- Able to perform hands on or remote support of Windows, Mac, Linux, iPhone, and Android devices.
- Knowledge of VMware vSphere, NetApp, or Infor CloudSuite Distribution are a plus.
- Solid ability in both written and verbal communication.
- High degree of independent judgement.
- Able to solve complex problems.
- Able to multitask and perform other IT functions as needed.

Available Benefits:

- Medical, Dental, Vision, Life & Disability Insurance
- Telemedicine Benefit
- ESOP / 401K Options
- Paid Vacation / Holidays

Pay will be determined by level of experience.
