

We are hiring!

Sunbelt Marketing located in Austell, GA is always looking to expand our team with talented professionals who are ready to take their careers to the next level. As one of the largest and most successful privately held manufacturers' representatives, we distribute plumbing, piping and HVAC/R products to traditional wholesalers within our industry.

Currently, Sunbelt is seeking a **Web Developer** who will be responsible for developing and/or designing web applications for our company. You will be working to create, maintain, and update our websites to integrate with our internal systems.

In addition to a love of coding and logic, strong candidates will also possess the following:

**Skills & Requirements:**

- 5+ years' experience in developing applications for business purposes.
- Proficient in PHP, JavaScript, MySQL, HTML, CSS.
- Experience in writing and connecting to APIs.
- Solid ability in both written and verbal communication.
- Knowledge of programming language and technical terminology.
- Able to develop ideas and processes and clearly express them.
- High degree of independent judgement.
- Able to solve complex problems.
- Able to multitask and perform other IT functions as needed.

**Available Benefits:**

- Medical, Dental, Vision, Life & Disability Insurance
- Telemedicine Benefit
- ESOP / 401K Options
- Paid Vacation / Holidays

Pay will be determined by level of experience.
