## CTS CPVC PIPE WARRANTY INFORMATION

---

HydraPro Blue CTS Pipe is manufactured in the USA from a CPVC4120 (Type IV, Grade 1) compound having a cell classification of 23448 per ASTM D1784. It conforms to ASTM D2846 Standard Specification for Chlorinated Poly (Vinyl Chloride) (CPVC) Plastic Hot – and Cold-Water Distribution Centers.

HydraPro Blue CTS Pipe is certified by NSF International Standard 14 and 61 for use in potable water applications and meets the requirement for lead-free plumbing. Additionally, HydraPro Blue CTS meets 25/50 flame spread and smoke development for plenum applications per ASTM E84 (Ref: ICC-ES PMG-132)

The seller warrants HydraPro Blue CTS CPVC Pipe to be free of defective material and workmanship for a period of one year from the date of initial sales. Our liability shall be limited to the replacement of any product actually found to be defective, upon written notice and return of the defective pipe.

Seller warrants the material to be free of defects in material and workmanship, under standard operating conditions in conjunction with approved potable water applications established by piping's third-party listings. This warranty commences on the date of purchase.

The obligation of the seller is limited to (1) replacement of the proven defective product, or (2) refund of the purchase price. Seller shall have no liability for the cost of removal or reinstallation with respect to any replaced product. The election of said remedies will be determined by seller in its sole discretion and shall be considered final disposition.

All implied warranties are hereby disclaimed and excluded. This warranty is in lieu of all other warranties, guarantees, and agreements; in no event shall seller be liable for consequential or incidental damages.

If you believe a product fails to meet the above limited warranty, please notify us in writing prior to the expiration of the applicable warranty period set forth above to the address listed below:
