Duties & Responsibilities:

- Establish, develop, and maintain business relationships with current and prospective customers within the territory to generate new business
- Promote/Sell/Secure orders from existing and prospective customers through a relationship-based sales approach
- Demonstrate products to customers and assist them in selecting products that are best suited for their needs
- Make telephone calls, in-person visits, and presentations to existing/prospective customers
- Continually enhance sales skills and product knowledge to promote a professional image in the field
- Work with other departments to ensure outstanding customer service from the order phase to delivery and beyond
- Supply management with oral and written reports on customer needs, problems, interests, competitive activities, and potential for new product offerings

Requirements & Qualifications

- Bachelor's degree preferred, but prior experience in Sales, especially within the plumbing industry, will be considered
- Strong sales presence coupled with the love of people and overall desire to provide exceptional customer service
- Demonstrated aptitude for problem-solving as well as strong leadership and listening skills
- Product and vendor knowledge (or the ability to quickly learn)
- Must reside in work territory
- Capability to work both independently and within a team environment
- Excellent verbal, written, and organizational skills
